My name is Janice Stauffer and I am working in the ICU tomorrow so I am unable to join the ZOOM. However, I do want to be heard on the difficulties with nurses not being able to have enough sick time to care for themselves. As nurses, we have cared for so many sick people with covid and the toll of the deaths and sickness has been horrible. Please expand the CT paid sick days. Removing the current law's 680 hour waiting period would allow the worker to take paid sick days to care for their chosen family member.

Thank you,

Janice Stauffer RN, BSN
